

LAGUNA NIGUEL GIRLS SOFTBALL SNACK BAR

Dear LNGS Parents,

Welcome to a new season with LNGS!! Our league has one of the most outstanding snack bars in southern California. We achieved this distinction through league commitment and dedicated volunteers like you.

In addition to any other position you may have volunteered for, you will be called upon by your team's snack bar coordinator to work at least one shift in the snack bar. This is a league commitment. Each team is obligated to staff the snack bar 4-5 times per season. Each shift is 2 hours in length. Please be prepared to step up to the plate when the coordinator calls you.

Show up for your shift on time. Even though you are responsible for your shift, **DO NOT** send a replacement without contacting the snack bar coordinator or me. We have a limited number of approved substitute workers to replace team volunteers on an **EMERGENCY** basis only. You will be required to pay \$25 per shift in advance. A 24-hour notice is greatly appreciated. For safety purposes, young children are not allowed in the snack bar. Please make alternate arrangements for your children while working your shift.

Working the snack bar is really fun! It is a great way to meet other parents, coaches and players. In addition, profits from the snack bar help keep our registration fees low and purchase new equipment for our girls.

Thank you for your cooperation. I look forward to seeing you at the fields!
